**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 24 (MISSOURI) 700 MHZ AND 800 MHZ REGIONAL PLANNING COMMITTEES  
TO HOLD MEETINGS**

**PR Docket No. 93-131 and WT Docket 02-378**

The Region 24 (Missouri) 700 and 800 MHz Regional Planning Committees (RPCs)<sup>1</sup> will hold two meetings on Monday, December 14, 2015, at the Cole County Fire Protection District Headquarters Conference Room, 5206 Monticello Road, Jefferson City MO 65101. The 700 MHz Regional Planning Committee meeting will convene at 10:00 am and the 800 MHz RPC meeting is expected to convene immediately following adjournment of the 700 MHz meeting. Both meetings are expected to be over by 2:00 pm.

Both Region 24 meetings are open to the public. All eligible public safety providers in Region 24 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 24 should plan to attend. For further information, please contact Region 24 700 MHz and 800 MHz RPC Chairperson, Scott Bigham:

Scott Bigham  
Region 24 700 & 800 MHz Regional Planning Committee Chair  
Missouri State Highway Patrol – Troop B Headquarters  
308 Pine Crest Drive
